

SPECIFIC INFORMATION TO POLICYHOLDERS WITH MOTOR INSURANCES IN GERMANY

For your information, all motor insurances in Germany will end the 28th March 2019. Please note that the bankruptcy estate is not in any way responsible for motor vehicle owners being in compliance with the local rules relating to compulsory motor insurance.

The bankruptcy estate is in contact with the claims handler, Broadspire, about the further claims handling. If you want to report a new claim or have questions on a claim already reported, please contact Broadspire.

The Danish Guarantee Fund covers all third party claims under a motor vehicle insurance. The bankruptcy estate is in contact with Broadspire about how and when payments can be made on damages covered by the Danish Guarantee Fund. If you want to report a new claim or have questions on an already reported claim, please contact Broadspire.

In addition, the Danish Guarantee Fund also covers own damage claims and claims for return premium in excess of DKK 1,000, if the motor insurance is taken out by a private individual.
If the policy is taken out by a commercial entity, any claim for return premium must be filed against the estate.

For more information about claims for premium refunds go to the site “Submit a claim / Premium refunds”.
